# product manual

## Function Description :

### Operation Guide:

1. Long press for power on/off; Short press for level switch.
2. Power off: When charging, light turns red, when fully charged, light turns blue.  
Power on: light color will change according to the grade.

### Function Description:

Vibration switch	In the power-on state, if sensing vibration, it works; otherwise, it will enter the sleep state.
	In the power-on state, if sensing no vibration within 60s, it will enter the sleep state.

### Grade Indication:

Grade	Color	Working time
L1	Purple	Mist for 5s, pause for 10mins
L2	Blue	Mist for 5s, pause for 5mins

### Cautions :

1. Please keep the machine vertically after installation, tilting or lying it down may cause the essential oil to spill out; if the circuit board is contaminated by the essential oil, the machine efficiency may be affected.
2. Do not modify, disassemble or repair the machine at will; if any malfunction occurs, please contact related technician in time.
3. This product is only applicable to our provided fragrance. Do not add other fragrances to avoid damaging the machine; nor disassemble and clean it by yourself. The matched fragrance can be purchased separately for replacement.

### Attention:

1. 3.5h charging time is highly recommended.
  2. Please take the fragrance out of machine and keep it covered when carrying the machine out.
  3. Power On/Off can be achieved by long press only.
  4. Only use the matched formula fragrance.
- Do NOT use quick charger for device.
